MA155 Projects

Project 1: Simple Random Sampling (SRS)

Due Date: xx/xx/xx @ xx p.m. on Canvas

Instructions:

- Use the Davis data set for this project.

Task (xx points):

In this project, your task is to use Microsoft (MS) Excel to obtain a simple random sample of size (Click me *to watch a video on how to obtain SRS in MS Excel*):

i) $n = 25$ (15 points)

ii) $n = 50$ (25 points)

Submission Instruction (xx points):

• Once you are done with the task, submit your project as a single MS Excel file on canvas. • Use your first and last name to name the file. (10 points)
